

Anomalous Coffee Machine 2

All 695 featured words

Find a word and scan its listed results. Use the site guide for the exact cup order, current form and character conditions.

Quick routes

Slime	Immortality first, then Slime to the same character. Slime without that setup can be fatal.
Vampire	Give Blood five times in a row to the same character. To advance, give Immortality then Sun while in Vampire form.
Reaper	Return to the game after 3, 7 and 15 deaths for the same character; each tier is discovered on a return.
Time / Night / Day	These use the game device clock and weekday. At noon, the game counts 12:00-12:59 as morning.

A-Z word reference

A word can have more than one result. Conditional counts describe listed routes, not a guaranteed outcome from any starting state. Use /anomalous-coffee-machine-2/all-words for the full steps.
